Full HD 2K Webcam

XW2K

This Full HD 2K webcam boasts a clean and elegant design to seamlessly fit any workspace, office, or living setting. XW2K features everything you need for your voice calls and video meetings and more. Whether you are working from home and in the office, or you simply want to enjoy lifelike video calls with your loved ones, this webcam certainly makes it possible. The built-in double microphone offers

excellent noise-canceling ability so you can enjoy uninterrupted smooth voice calls. Mounting the webcam is very easy and thanks to the flexible base clip, the position and viewing angle can be fully adjusted to meet your needs. To top it off, there is no driver installation required, plug the USB cable and you are ready to go.

► High-resolution 2K lifelike video experience and sharp images

This 2K camera with high-definition lens can intelligently adjust its frame rate and resolution according to ambient light, supplying true to life video even in dim light conditions. Widescreen video calls are possible with an impressive 85° field of view.

► Built-in omnidirectional microphone

Built-in omnidirectional microphone with noise-cancelation offers clear sound and ensures smooth voice calls.

► Flexible rotation

360 horizontal rotation allows for the upper and lower viewing angles to be freely adjusted to a specific position to meet your needs. Mount the webcam where you want it and enjoy easy flexible use.

► Integrated privacy cover

Better safe than sorry: thanks to the built-in camera cover the lens can be covered when XW2K is not in use. Your privacy is fully protected.
