

# Simplify document processes and reduce print costs

The Ricoh M C2000 makes light of office work. No matter how complex your imaging requirements, this adaptable A3 multifunctional printer will meet all user needs. From colour printing to scanning and email distribution, the M C2000 provides a versatile and easy-to-use solution. What is more, helping you to keep a lid on business expenditure, the workgroup device has affordable running costs and offers a low total cost of ownership.

Its colour touchscreen panel makes operation simple. The document feeder automates scanning and copying processes. And using Ricoh's smart ID Card Scan and ID Card Copy features, it is easy to record essential information. Driving digitisation, hybrid workers can connect instantly using the wireless direct option. High resolution colour print is delivered at the same speed as black and white, and when larger formats are required, the M C2000 can print onto A3 stock.
