Multi-mode Wireless Ultra-slim Keyboard

E9800M

This ultra-slim keyboard combines premium materials with an elegant design and full-size comfort. Boasting a solid aluminum alloy base, the keyboard's housing is not only robust and sturdy – it also adds a touch of style to any desk setup. E9800M is not only advanced in design but also in functionality. It features Rapoo's multi-mode wireless

connection– via reliable 2.4 GHz wireless transmission, Bluetooth 3.0, and Bluetooth 5.0 – enabling you to connect simultaneously to multiple devices and change (pair automatically) among them. To top it off, the keyboard features multimedia hotkeys and an eco-friendly rechargeable battery so you can enjoy complete wireless freedom.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 5.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: E9800M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

► Ultra-slim design with aluminum alloy

Slimline, durable, full-size comfort: The ultra-slim design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.

► Eco-friendly rechargeable battery

No more replacing batteries: thanks to the built-in eco-friendly lithium battery, you can enjoy complete wireless freedom without replacing batteries.
